## **Certified Installer e-Newsletter** December 22, 2010 -- 14<sup>th</sup> Edition

Welcome to the 14<sup>th</sup> edition of the Vinyl Siding Institute's (VSI) Certified Installer e-News. Note that all official program communications continue to come from Karen Yetter at ATI, the program Administrator, at [kyetter@archtest.com](mailto:kyetter@archtest.com).

### **Does your Certified Installer Status Expire in 2011?**

If your status expires in 2011, you should have just received a letter and *Installation Manual* in the mail from VSI with instructions on how to recertify.

Use that manual to prepare for the open-book test, or download the current [Installation Manual online](#), and then take the test online at [www.vinylsiding.org/recertify](http://www.vinylsiding.org/recertify).

### **Be on the lookout for the next Certified Installer e-News**

In our next edition, we'll be presenting some opportunities for Certified Installers that won't cost you anything because of your status, but will help you sell more vinyl siding jobs! And we'll ask you for input on other new ideas. Stay tuned!

### **Happy Holidays from VSI!**

VSI wishes you and your families a Happy Holidays and a wonderful New Year! We're thankful you've been a part of the *Certified Installer Program* in 2010 and look forward to the next year. See you in 2011!

**Elizabeth Nelson, VSI Manager of Certification Programs**
