

Northeast Ohio Vinyl Siding Recycling Coalition Collector Site Information "Do's & Don'ts"

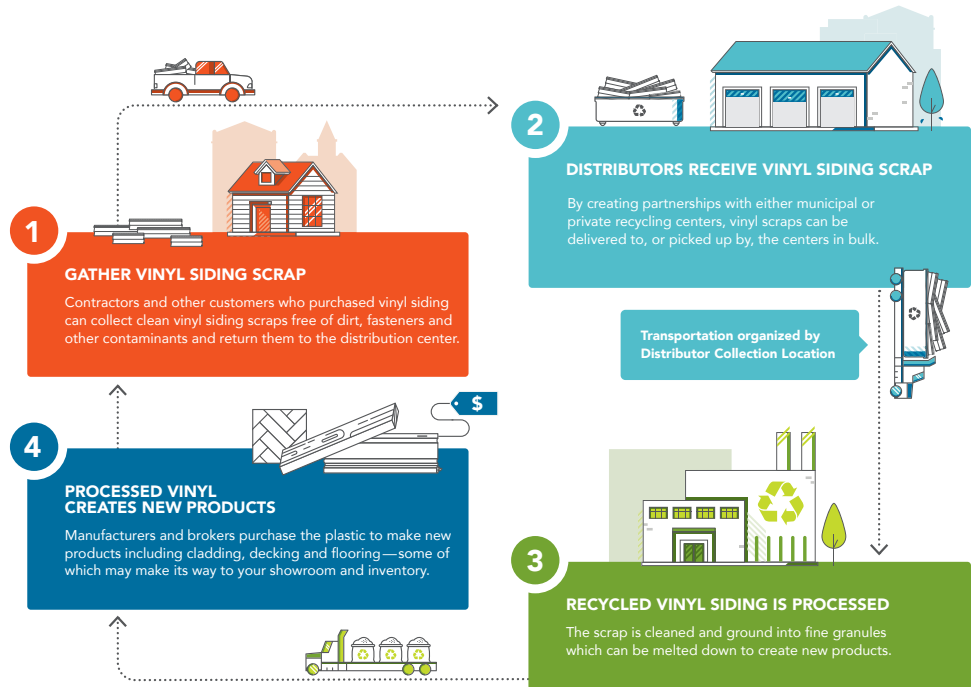

Thank you for your interest in being a part of the "Coalition" as a Collection Site. VSI and the Coalition are here to support you and we are excited you are willing to commit to help increase the amount of vinyl siding being recycled and diverted from landfill in Northeast Ohio. Below is an infographic on how the process works – specific to distributors.

HOW TO RECYCLE VINYL SIDING

✓ Distributor

Used, new, and unused vinyl and other polymeric products are designed for irreconcilability. The recycled products can go right back into the manufacturing process to be ground down and reused to create new building materials.

Start collecting vinyl siding today. Contact your local recycling center to begin a valuable sustainability program.

Recycling Rigid Vinyl (PVC)

What can be collected

- PVC siding, soffit and accessories used in residential applications are the focus of the program.
- Other rigid PVC products are allowed to be collected including items like vinyl downspouts, pipe, fence etc.

DO

- siding should be as clean as possible and not covered with excessive mud or dirt.
- All vinyl siding sizes and colors are acceptable
- Minimize nails and silicon

DON'T

- Not Accepted:** Insulation, hazardous waste, materials containing asbestos fillers or reinforcement, used household soil or waste plumbing lines, glass, C&D waste (wood, drywall, cardboard), yard waste.
- Small Percentage Allowed:** Dirt residue, ferrous and non-ferrous metals, minor level of trash

Logistics Support

- Collection boxes will typically be supplied. Define quantity based on anticipated volume.
- Recycled materials can be dropped at the collection site or arrangements for pickup defined.

Current Recyclers that are part of the Coalition and capable of setting up recycling/collection services:

JP Industrial
37844 State Route 518
Lisbon, OH 44432
Nick Puckett
npuckett@jpinindustrials.com
